

Susan G. Komen® Great Plains

2017 South Dakota Volunteer Appreciation

First up for Volunteer Appreciation week is Wendy Hofer Quam! Wendy is the Sioux Falls Race for the Cure Volunteer Chair, a position critical to making the Race a reality! Wendy and her husband participated in the San Diego 3-day this year proving beyond a shadow of a doubt that they are More Than Pink. Thanks, Wendy!

Volunteer Appreciation: Thank you to Komen Great Plains board member Christina Farruggia! As the planning lead for Taste of the Hills, Christina and her team plan one of our most popular events. Her dedication and work ethic make her More Than Pink.

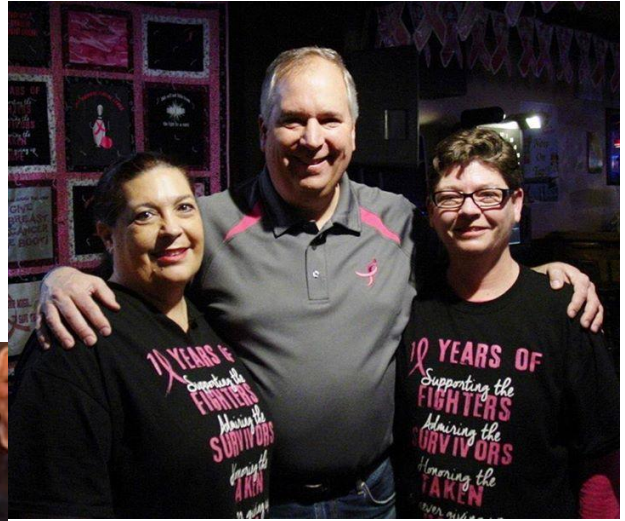

This afternoon for Volunteer Appreciation we recognize the wonderful people who help us at our Race for the Cure Packet Pickups! Pictured are Premier Bankcard volunteers at Packet Pickup for the 2016 Sioux Falls RFTC. Without support from these groups we don't know what we would do!!! Thanks for being More Than Pink.

Susan G. Komen® Great Plains

2017 South Dakota Volunteer Appreciation

Volunteer Appreciation: Komen Great Plains receives support from many big-hearted bowlers across the Great Plains. Pictured are the hosts of Britton Bowl in South Dakota who have raised over \$100,000 for Komen in the past 10 years! Thank you for your hard work and compassion!

Volunteer Appreciation: Patty Kusman is a patient navigator at Regional Health who has served on our board of directors and continues to stay involved with Komen Great Plains event planning including for the Power of Research this past Monday where we hosted 60 attendees! #MoreThanPink

Volunteer Appreciation: Komen Great Plains Board Member Rod Goeman is a leader in the Sioux Falls community where he has worked as an insurance agent for over 18 years. We're thankful that Rod supports Komen's mission to meet the breast health needs of women in our communities and invest in breakthrough research. Catch Rod at the Sioux Falls Race for the Cure September 24th!
